FLORA OF FOREST PARK

TREES

A star (*) denotes those found growing wild; those not so marked have been introduced by Everett H. Barney.

Common Names.

Botanical Names.

*White pine or Weymouth pine,	<i>Pinus strobus</i>
*Pitch pine or scrub pine,	<i>Pinus rigida</i>
Red pine or Norway pine,	<i>Pinus resinosa</i>
Austrian pine,	<i>Pinus Austriaca</i>
Swiss stone pine,	<i>Pinus cembra</i>
Corsican pine,	<i>Pinus laricio</i>
Mugho dwarf, a native of the Alps,	<i>Pinus mugho</i>
Scotch pine,	<i>Pinus sylvestris</i>
Japanese parasol pine,	<i>Sciadopitys verticillata</i>
Japanese golden parasol pine,	<i>Sciadopitys verticillata aurea</i>
*Hemlock,	<i>Tsuga Canadensis</i>
Weeping hemlock,	<i>Tsuga Canadensis Sargentii pendula</i>
Carolina hemlock,	<i>Tsuga Caroliniana</i>
Douglas or rocky mountain hemlock,	<i>Pseudotsuga</i>
White spruce,	<i>Picea alba</i>
Black spruce,	<i>Picea nigra</i>
Colorado blue spruce,	<i>Picea pungens</i>
Glory of the spruces,	<i>Picea alba</i> var. <i>aurea</i>
Norway spruce,	<i>Picea excelsa</i>
Golden Norway spruce,	<i>Picea excelsa aurea</i>
Tiger's tail spruce from Japan,	<i>Picea polita</i>
Fir balsam or balm of gilead fir,	<i>Abies balsamea</i>
White silver fir,	<i>Abies concolor</i>
Noble silver fir,	<i>Abies nobilis</i>
Nordmann's silver fir,	<i>Abies Nordmanniana</i>
*Red cedar,	<i>Juniperus Virginiana</i>
Variegated red cedar,	<i>Juniperus Virginiana</i> var. <i>alba variegata</i>
Silvery red cedar,	<i>Juniperus Virginiana</i> var. <i>glauca</i>
Weeping red cedar,	<i>Juniperus Virginiana</i> var. <i>pendula</i>
American arbor vitae,	<i>Thuja Occidentalis</i>
Vervene's variegated arbor vitae,	<i>Thuja Occidentalis</i> var. <i>Verveneana</i>
Golden George Peabody arborvitae,	<i>Thuja</i> var. <i>Geo. Peabody</i> , evergreen

<i>Common Names.</i>	<i>Botanical Names.</i>
Rollinson's golden arbor vitæ,	Thuya Occidentalis var. elegantissima, evergreen
Silver-tipped arbor vitæ,	Thuya var. alba, evergreen
*White oak,	Quercus alba
*Swamp white oak,	Quercus bicolor
Turkey oak,	Quercus cerris
Scarlet oak,	Quercus coccinea
Japan oak,	Quercus daimio
Laurel or shingle oak,	Quercus imbricaria
Mossy cup oak,	Quercus macrocarpa
Pin oak,	Quercus palustris
Willow-leaved oak,	Quercus phellos
Rock or broad-leaf chestnut oak,	Quercus prinus
Yellow or narrow-leaf chestnut oak,	Quercus castanea
English oak,	Quercus robur
Golden oak,	Quercus robur pedunculata var. con- cordia
Pyramidal oak,	Quercus robur pedunculata var. fasti- giata
Weeping English oak,	Quercus robur pedunculata var. pen- dula
Purple-leaved oak,	Quercus robur pedunculata atropur- purea
Cut-leaved oak,	Quercus robur var. asplenifolia
*Red oak,	Quercus rubra
*Black or yellow oak,	Quercus tinctoria
*Scrub black oak,	Quercus ilicifolia
Southern swamp oak,	Quercus lyrata
*Chestnut,	Castanea Americana
Common horse-chestnut,	Æsculus hippocastanum
Red flowering horse-chestnut,	Æsculus hippocastanum var. rubicunda
Memminger's horse-chestnut,	Æsculus hippocastanum var. Mem- mingerii
*American white beech,	Fagus ferruginea
Fern-leaved beech,	Fagus sylvatica var. heterophylla
Weeping beech,	Fagus sylvatica var. pendula
Chestnut-leaved beech,	Fagus sylvatica var. castanæfolia
Copper beech,	Fagus sylvatica var. cuprea
Rivers' purple beech,	Fagus sylvatica var. purpurea Riversii
Weeping purple beech,	Fagus sylvatica var. purpurea pendula
*Sugar or hard maple,	Acer saccharinum
Columnar maple,	Acer saccharinum columnare
Geneva maple,	Acer platanoides var. Geneva

Common Names.

Curled-leaf maple,
 *Red maple or swamp maple,
 *Soft white or silver-leaf maple,
 Weir's cut-leaf maple,

 *Mountain maple,
 Cut-leaf Norway maple,
 Striped maple or Moosewood,
 Wærléi golden yellow leaved maple,
 Reitenbachii maple (scarlet in spring),
 *Canoe birch or paper birch,
 *White or gray birch,
 *Black or sweet birch,
 Yellow birch,
 Red or river birch,
 Elegant weeping birch,
 Cut-leaf weeping birch,
 European weeping white birch,
 Pyramidal birch,
 Tree of Heaven, a native of Japan,
 *Shad bush or June berry,
 *Hornbeam,
 *Hop hornbeam,
 *American white elm,
 *Slippery elm or red elm,
 Broad-leaved English elm,
 Monumental English elm,
 Weeping Camperdown elm,

 Golden leaved elm,
 Hackberry,
 Tupelo, pepperidge or sour gum,
 *Sassafras,
 *White ash,
 Red ash,
 English ash,
 Weeping ash,
 American mountain ash,
 Weeping mountain ash,
 *Wild black cherry,
 Locust,
 Kentucky coffee tree,
 Tulip tree,

Botanical Names.

Acer platanoides var. cuculatum
 Acer rubrum
 Acer dasycarpum
 Acer dasycarpum var. Weirii Lacinia-
 tum
 Acer spicatum
 Acer platanoides var. dissectum
 Acer Pennsylvanicum
 Acer pseudoplatanus Wærléi
 Acer platanoides Reitenbachii
 Betula papyracea
 Betula populifolia
 Betula lenta
 Betula lutea
 Betula rubra
 Betula var. pendula elegans
 Betula var. pendula laciniata
 Betula alba
 Betula var. fastigiata
 Ailanthus glandulosa
 Amelanchier botriapium
 Carpinus Caroliniana
 Ostrya Virginica
 Ulmus Americana
 Ulmus fulva
 Ulmus campestris var. latifolia
 Ulmus var. monumentalis
 Ulmus montana var. Camperdown
 pendula
 Ulmus capestris var. Wredei aurea
 Celtis Occidentalis
 Nyssa multiflora
 Sassafras officinale
 Fraxinus Americana
 Fraxinus pubescens
 Fraxinus excelsior
 Fraxinus var. pendula
 Pyrus Americana
 Pyrus Americana pendula
 Prunus serotina
 Robinia pseudacacia
 Gymnocladus Canadensis
 Liriodendron tulipifera

<i>Common Names.</i>	<i>Botanical Names.</i>
Pyramidal tulip,	Liriodendron var. pyramidalis
Cercidiphyllum,	Cercidiphyllum Japonicum
American larch or hackmatack,	Larix Americana
Japan larch or money pine of Japan,	Larix leptolepis
Weeping European larch,	Larix Europæus pendula
*Butternut,	Juglans cinerea
Japan butternut,	Juglans Japonica
*Shellbark,	Carya alba
*Mockernut,	Carya tomentosa
*Pignut,	Carya porcina
*Bitternut,	Carya amara
Liquidambar, the sweet gum of the South,	Liquidambar styraciflua
*Buttonwood or buttonball,	Platanus Occidentalis
*River poplar,	Populus Lævigata
*Aspen poplar,	Populus tremuloides
Lombardy poplar,	Populus fastigiata
Weeping poplar,	Populus grandidentata
*White willow,	Salix alba
*Yellow willow,	Salix var. vitellina
*Weeping willow,	Salix Babylonica
Ginkgo or Maiden-Hair tree,	Salisburia adiantifolia
Weeping Chinese cypress,	Taxodium var. pendulum
Virgilia or yellow-wood,	Cladrastis tinctoria
*Basswood or linden,	Tilia Americana
Weeping basswood,	Tilia var. alba pendula
Lime or European linden,	Tilia Europæa
Weeping linden,	Tilia argentea var. pendula
Empress tree,	Paulownia imperialis
Yulan or Chinese white magnolia,	Magnolia conspicua
Umbrella tree,	Magnolia tripetala
Leune's purple magnolia,	Magnolia Leunei
Soulange's magnolia,	Magnolia Soulangeana
Kœlreuteria,	Kœlreuteria paniculata
Weeping Japan cypress,	Retinospora filiformis pendula
Obtuse-leaved Japan cypress,	Retinospora obtusa
Golden obtuse-leaved Japan cypress,	Retinospora obtusa var. variegata aurea
Plume-like Japan cypress,	Retinospora obtusa var. plumosa
Dwarf obtuse Japan cypress,	Retinospora obtusa nana
Squarrose-leaved Japan cypress,	Retinospora squarrosa
Persimmon,	Diospyros Virginiana

FLOWERING VINES

<i>Common Names.</i>	<i>Botanical Names.</i>
*Bittersweet or Roxbury waxwork,	Celastrus scandens Showy fruit through fall and winter
Japan Bittersweet, larger fruit than the above,	Celastrus punctatus Showy fruit through fall and winter
Trumpet flower,	Bignonia radicans, July
Chinese wistaria,	Wistaria Chinensis, June
*Virginia creeper, American ivy,	Ampelopsis quinquefolia, crimson foliage in autumn
Japan ivy or Boston ivy,	Ampelopsis Veitchi, crimson foliage in autumn
Variegated leaf ivy,	Ampelopsis dissecta, blue berries in fall
English ivy,	Hedera helix, evergreen
*Climbing false buckwheat,	Polygonum scandens, beauty of seed in fall
*Poison ivy,	Rhus toxicodendron, beauty of foliage in fall
*Pigeon grape,	Vitis cordifolia, fruit in fall
*Wild or river grape,	Vitis riparia
*Virgin's bower,	Clematis Virginiana, silvery plumes in fall
Clematis paniculata,	Clematis paniculata, August

SHRUBS

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>When in Bloom.</i>
*Wild pink azalea,	Azalea nudiflora,	May
White swamp honeysuckle,	Azalea viscosa,	June
Great flame colored azalea,	Azalea calendulacea,	June
Spreading azalea,	Azalea arborescens,	July
Rhododendron vaseyi,	Azalea vaseyii,	June
Ghent hybrids in many colors,	Azalea Ghentii,	June
Japanese hybrids,	Azalea mollis,	May
Althea or rose of Sharon,	Hibiscus Syriacus, alba luteola plana	September
Moorwort,	Andromeda polifolia,	May
Hercules' club,	Aralia spinosa,	August
Five-leaved aralia,	Aralia pentaphylla,	August
Japanese Parkman's crab,	Pyrus malus parkmanii,	May
Flowering apple,	Pyrus malus floribunda,	May

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>When in Bloom</i>
*Smooth alder,	<i>Alnus serrulata</i> ,	April
*Speckled alder,	<i>Alnus incana</i> ,	April
Cut-leaf alder,	<i>Alnus</i> var. <i>lacinata</i> ,	April
European barberry,	<i>Berberis vulgaris</i> ,	June
Purple-leaved barberry,	<i>Berberis vulgaris</i> var. <i>purpurea</i> ,	June
Thunberg's barberry,	<i>Berberis Thunbergii</i> ,	May
Ashberry,	<i>Berberis aquifolia</i> (evergreen),	May
Japan ashberry,	<i>Berberis Japonica</i> (evergreen),	May
Bayberry,	<i>Myrica cerifera</i> ,	May
Bladder nut,	<i>Staphylea colchica</i> ,	June
Strawberry bush,	<i>Euonymus Americanus</i> ,	June
Burning bush or Waahoo,	<i>Euonymus atropurpureus</i> ,	June
Broad-leaved spindle tree,	<i>Euonymus latifolius</i> ,	June
Button bush,	<i>Cephalanthus Occidentalis</i> ,	July
*Mountain laurel,	<i>Kalmia latifolia</i> ,	June
*Lambkill,	<i>Kalmia angustifolia</i> ,	June
Carolina allspice,	<i>Calycanthus floridus</i> ,	all summer
Siberian pea tree,	<i>Caragana arborescens</i> ,	June
Weeping pea tree,	<i>Caragana pendula</i> ,	June
*Leather leaf,	<i>Cassandra calyculata</i> ,	May
*New Jersey tea,	<i>Ceanothus Americanus</i> ,	July
American Judas tree,	<i>Ceris Canadensis</i> ,	May
European golden chain,	<i>Laburnum vulgare</i> ,	May
White fringe,	<i>Chionanthus Virginica</i> ,	June
Japan weeping cherry,	<i>Cerasus Japonica</i> var. <i>rosea</i> pen- dula,	May
Dwarf weeping cherry,	<i>Cerasus pumila</i> var. <i>pendula</i> ,	May
Siebold's double red flowering cherry,	<i>Cerasus Sieboldii</i> flore <i>rosea</i> plena,	May
Weeping wild cherry,	<i>Cerasus serotina</i> var. <i>pendula</i> ,	May
Japan double flowering pink cherry,	<i>Cerasus Japonica</i> var. <i>rosea</i> ,	May
*Chokecherry,	<i>Prunus Virginiana</i> ,	May
*Wild plum,	<i>Prunus Americana</i> ,	May
Pissard's purple-leaved plum,	<i>Prunus Pissardi</i> ,	May
*Sweet fern,	<i>Comptonia asplenifolia</i> ,	May
Snowberry,	<i>Symphoricarpus racemosus</i> ,	June
Coral berry, Indian currant,	<i>Symphoricarpus vulgaris</i> ,	July
Globe flower,	<i>Corchorus Japonica</i> ,	all summer
Double flowering globe flower,	<i>Corchorus Japonica</i> var. <i>flore</i> <i>plena</i> ,	all summer
Variegated leaf globe flower,	<i>Corchorus Japonica</i> var. <i>folis</i> <i>variegata</i> ,	all summer

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>When in Bloom</i>
*Flowering dogwood,	<i>Cornus florida</i> ,	May
Red flowering dogwood,	<i>Cornus florida</i> var. <i>rubra</i> ,	May
Weeping dogwood,	<i>Cornus florida</i> var. <i>pendula</i> ,	May
*Alternate-leaved blue stemmed dogwood,	<i>Cornus alternifolia</i> ,	July
Round-leaved dogwood,	<i>Cornus circinata</i> ,	June
*Silky cornel or kinnikinnik,	<i>Cornus sericea</i> ,	July
Panicle dogwood,	<i>Cornus paniculata</i> ,	July
Red osier dogwood,	<i>Cornus stolonifera</i> ,	May
Cornelian cherry,	<i>Cornus mascula</i> ,	April
Siberian red osier,	<i>Cornus Siberica</i> ,	May
Variegated red osier,	<i>Cornus Siberica</i> var. <i>variegata</i> ,	May
*Wild hazel nut,	<i>Corylus Americana</i> ,	April
*Beaked hazel nut,	<i>Corylus rostrata</i> ,	April
Purple-leaved hazel,	<i>Corylus avellana</i> var. <i>purpurea</i> ,	April
Box-leaved cotoneaster,	<i>Cotoneaster buxifolia</i> ,	April
Small-leaved cotoneaster,	<i>Cotoneaster microphylla</i> ,	June
*Maple-leaved viburnum, Dockmackie,	<i>Viburnum acerifolium</i> ,	May
*Arrowwood,	<i>Viburnum dentatum</i> ,	June
Downy arrowwood,	<i>Viburnum pubescens</i> ,	June
Withe rod,	<i>Viburnum cassinoides</i> ,	May
Sheep berry,	<i>Viburnum lentago</i> ,	May
Black haw,	<i>Viburnum prunifolium</i> ,	June
Cranberry tree,	<i>Viburnum opulus</i> ,	May
Hobble bush,	<i>Viburnum lantanoides</i> ,	May
Naked viburnum,	<i>Viburnum nudum</i> ,	May
Wayfaring tree,	<i>Viburnum lantana</i> ,	May
Chinese viburnum,	<i>Viburnum macrocephalum</i> ,	June
Common snow ball or guelder rose,	<i>Viburnum opulus</i> var. <i>sterilis</i> ,	May
Japan snowball,	<i>Viburnum plicatum</i> ,	May
*White thorn,	<i>Cratægus coccinea</i> ,	May
*Pear-leaved thorn,	<i>Cratægus tomentosa</i> ,	May
Cockspur thorn,	<i>Cratægus crus-galli</i> ,	June
English hawthorn,	<i>Cratægus oxyacantha</i> ,	May
Paul's double-scarlet thorn,	<i>Cratægus flore pleno</i> var. <i>Paulii</i> ,	May
Gumper's thorn,	<i>Cratægus</i> var. <i>Gumperi bicolor</i> ,	May
Japan quince,	<i>Cydonia Japonica</i> ,	May
Maule's quince,	<i>Cydonia Maulei</i> ,	June
Deutzia,	<i>Deutzia crenata</i> ,	June
Double white deutzia,	<i>Deutzia crenata</i> var. <i>candidissima</i> <i>plena</i> ,	June

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>When in Bloom.</i>
Pride of Rochester,	Deutzia crenata var. Pride of Rochester,	June
Weigelia,	Diervilla rosea,	June
White weigelia,	Diervilla candida,	June
*Common elder,	Sambucus Canadensis,	July
Scarlet-berried elder,	Sambucus racemosus,	June
Golden elder,	Sambucus nigra var. aurea,	July
Silver berry,	Eleagnus argentea,	July
Pearl bush,	Exochorda grandiflora,	May
Fortune's golden bell,	Forsythia Fortunei,	April
Weeping golden bell,	Forsythia suspensa,	April
Golden bell,	Forsythia viridissima,	April
Purple fringe or smoke tree,	Rhus cotinus,	June
*Dwarf sumach,	Rhus copallina,	June
*Stag's horn sumach,	Rhus typhina,	June
Cut-leaf sumach,	Rhus glabra laciniata,	June
*Poison dogwood or poison sumach,	Rhus venenata,	June
Weeping honey locust,	Gleditschia var. Butjoii pendula,	June
*Witch hazel,	Hamamelis Virginiana,	November
Ground hemlock or American yew.	Taxus Canadensis,	evergreen
*Black alder or winter berry,	Ilex verticillata,	June
American holly,	Ilex opaca,	evergreen
*Mountain fly honeysuckle,	Lonicera caerulea,	May
Tartarian honeysuckle,	Lonicera tartarica,	June
Golden hop tree,	Ptelea trifoliata var. aurea,	June
Oak-leaved hydrangea,	Hydrangea quercifolia,	August
Panicle hydrangea,	Hydrangea paniculata,	September
Large, panicle hydrangea,	Hydrangea paniculata var. grandiflora,	August
Early flowering hydrangea,	Hydrangea vestita,	June
Prostrate juniper,	Juniperus prostrata,	evergreen
Golden juniper,	Juniperus communis var. aurea,	evergreen
Irish juniper,	Juniperus communis var. Hibernica robusta,	evergreen
California privet,	Ligustrum ovalifolium,	July
European privet,	Ligustrum vulgare,	June
Dwarf buckeye,	Pavia macrostachya,	July
Common lilac,	Syringa vulgaris,	May
Common white lilac,	Syringa vulgaris var. alba,	May
Persian lilac,	Syringa Persica,	May
Charles X. lilac,	Syringa vulgaris var. Charles X.,	June

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>When in Bloom</i>
Ludwig Spath lilac,	<i>Syringa vulgaris</i> var. <i>Ludwig</i> Spath,	May
Japan tree lilac,	<i>Syringa Japonica</i> ,	June
Chinese lilac,	<i>Syringa oblata</i> ,	May
Weeping Chinese lilac,	<i>Syringa ligustrina</i> var. <i>Pekinensis</i> pendula,	June
Japanese lilac,	<i>Syringa villosa</i> ,	June
Hall's Japan magnolia,	<i>Magnolia stellata</i> ,	April
Tea's weeping mulberry,	<i>Morus</i> Tea's pendula,	June
Chinese weeping cork tree,	<i>Phellodendron amurense</i> , pen- dula,	showy bark
Weeping pagoda tree,	<i>Sophora Japonica</i> var. pendula,	August
Flowering peach,	<i>Persica vulgaris</i> var. <i>camellia-</i> flora,	May
Double white flowering peach,	<i>Persica vulgaris</i> fl. <i>alba plena</i> ,	May
Double pink flowering peach,	<i>Persica vulgaris</i> fl. <i>rosea plena</i> ,	May
Mock orange or syringa,	<i>Philadelphus coronarius</i> ,	June
Double flowering mock orange,	<i>Philadelphus coronarius</i> var. <i>flora</i> <i>plena</i> ,	June
Golden Philadelphus,	<i>Philadelphus coronarius</i> var. <i>foliis</i> <i>aurea</i> ,	June
Great laurel,	<i>Rhododendron maximum</i> ,	June
Rhododendrons in hardy colors,	<i>Rhododendron hybridum</i> ,	June
Buffalo berry,	<i>Shepherdia argentea</i> or <i>Cana-</i> <i>densis</i> ,	May
*Wild rose,	<i>Rosa blanda</i> ,	May
*Swamp wild rose,	<i>Rosa Carolina</i> ,	July
*Dwarf wild rose,	<i>Rosa lucida</i> ,	May
Sweet brier rose,	<i>Rosa ribiginosa</i> ,	May
White <i>rosa rugosa</i> or <i>ramanas</i> rose,	<i>Rosa rugosa alba</i> ,	May
Red <i>rosa rugosa</i> or <i>ramanas</i> rose,	<i>Rosa rugosa rubra</i> ,	May
Spreading Japanese rose,	<i>Rosa wichuraiana</i> ,	July
Hybrid roses, all colors during the summer,	<i>Rosa hybridum</i> ,	all summer
*Pussy willow or silky-headed willow,	<i>Salix discolor</i>	April
*Heart-leaved willow,	<i>Salix cordata</i> ,	May
Weeping Kilmarnock willow,	<i>Salix caprea</i> var. <i>pendula</i> ,	May
Oregon willow, white twigs in winter,	<i>Salix candicans</i> ,	May
Long-leaved willow,	<i>Salix longifolia</i> ,	May

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>When in Bloom.</i>
Royal white-leaved willow,	<i>Salix regalis</i> ,	May
Salmon-barked willow,	<i>Salix vitellina</i> Britzensis,	May
Golden bark in winter,	<i>Salix vitellina</i> aurea,	May
Bridal wreath,	<i>Spiræa prunifolia</i> var. <i>flore plena</i> ,	May
Van Houtte's spiræa,	<i>Spiræa</i> Van Houtteii,	June
Thunberg's spiræa,	<i>Spiræa</i> Thunbergii,	April
Fortune's dwarf,	<i>Spiræa callosa</i> ,	all summer
Golden spiræa,	<i>Spiræa</i> var. <i>aurea</i> ,	June
Native camellia from North Carolina,	<i>Stuartia pentagynia</i> ,	July
Common tamarisk,	<i>Tamarix gallica</i> ,	July
False loosestrife,	<i>Ludwigia polycarpa</i> ,	August
Ginnala maple from Siberia,	<i>Acer</i> var. <i>ginnala</i> ,	October
Japanese storax,	<i>Styrax Japonica</i> ,	June
<i>Styrax obassia</i> ,	<i>Styrax obassia</i> ,	June
Tree peony,	<i>Pæonia montana</i> ,	May
White flowering almond,	<i>Prunus Sinensis alba</i> ,	May
Shrub yellow root,	<i>Zanthorrhiza apiifolia</i> ,	May
Sweet pea shrub,	<i>Desmodium penduliflorum</i> ,	October
Dwarf Japanese maples in varieties for beauty of leaf and color of foliage in the fall.		
*Wild red raspberry,	<i>Rubus strigosus</i> ,	May
*Thimbleberry, or black raspberry,	<i>Rubus Occidentalis</i> ,	May
*Huckleberry, or black whortleberry,	<i>Gaylussacia resinosa</i> ,	May
*Blueberry, or blue huckleberry,	<i>Vaccinium corymbosum</i> ,	May
*Dwarf or low blueberry,	<i>Vaccinium Pennsylvanicum</i> ,	May
*Common high blackberry,	<i>Rubus villosus</i> ,	May
*Running blackberry,	<i>Rubus Canadensis</i> ,	May
*Leatherwood—Wicaby,	<i>Dirca palustris</i> ,	May

WILD FLOWERS

WHITE BLOOM

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>Average Month of Bloom.</i>
Bloodroot,	<i>Sanguinaria Canadensis</i> ,	April
Wood anemone,	<i>Anemone nemorosa</i> ,	April
Rue anemone,	<i>Anemonella thalictroides</i> ,	April
Star flower,	<i>Trientalis Americana</i> ,	May
Canada Mayflower,	<i>Maianthemum Canadense</i> ,	May

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>Average Month of Bloom.</i>
Shepherd's purse,	Capsella bursa pastoris,	May
Early everlasting,	Antennaria plantaginifolia,	April
Early saxifrage,	Saxifrage Virginienensis,	April
Carrion flower,	Smilax herbacea,	June
Wild sarsaparilla,	Aralia nudicaulis,	June
White violet,	Viola blanda,	May
Solomon's seal,	Polygonatum biflorum,	May
False Solomon's seal,	Similacina racemosa,	May
Bellwort,	Uvularia sessilifolia,	May
White baneberry,	Actæa alba,	May
Shin leaf,	Pyrola elliptica,	June
Prince's pine,	Chimaphila umbellata,	June
Spotted Prince's pine,	Chimaphila maculata,	July
Ox-eyed daisy,	Chrysanthemum leucanthemum,	June
Daisy fleabane,	Erigeron annuus,	June
May weed,	Anthemis cotula,	July
Checkerberry,	Gaultheria procumbens,	July
Indian pipe,	Monotropa uniflora,	August
Wild strawberry,	Fragaria Virginiana,	May
Cleavers,	Galium Aparine,	July
Partridge berry,	Mitchella repens,	June
Climbing false buckwheat,	Polygonum dumtorum var. scandens,	June
Meadow rue,	Thalictrum polygamum,	June
Meadow sweet,	Spiræa salicifolia,	July
White water lily,	Nymphæa odorata,	June
Virginia poke,	Phytolacca decandra,	July
Yarrow,	Achillea millefolium,	June
Wild carrot,	Daucus carota,	August
Water hemlock,	Cicuta maculata,	July
Arrowhead,	Sagittaria variabilis,	August
Turtle head,	Chelone glabra,	August
Love vine,	Cuscuta Gronovii,	August
Virgin's bower,	Clematis Virginiana,	August
Jamestown weed,	Datura stramonium,	July
White aster,	Aster corymbosus,	August
White aster,	Aster ericoides,	August
White aster,	Aster umbellatus,	September
Thoroughwort,	Eupatorium perfoliatum,	August
Ladies' tresses,	Spiranthes cernua,	September
Milkweed,	Asclepias verticillata,	July
Life everlasting,	Gnaphalium polycephalum,	September

YELLOW BLOOM

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>Average Month of Bloom.</i>
Adder's tongue,	Erythronium Americanum,	April
Yellow violet,	Viola pubescens,	May
Common cinquefoil,	Potentilla Canadensis,	May
Golden ragwort,	Senecio aureus,	June
Clinton,	Clintonia borealis,	June
Yellow lady slipper,	Cypripedium pubescens,	June
Wild parsnip,	Pastinaca sativa,	June
Golden club,	Orontium aquaticum,	May
Indian cucumber root,	Medeola Virginiana,	June
Dandelion,	Taraxacum officinale,	May
Buttercup,	Ranunculus fascicularis,	April
Yellow pond lily,	Nuphar advena,	June
Winter cress,	Barbarea vulgaris,	May
Black mustard,	Brassica nigra,	June
Rattlesnake weed,	Hieracium venosum,	June
Meadow lily,	Lilium Canadense,	July
Yellow loosestrife,	Lysimachia stricta,	July
Frost weed,	Helianthemum Canadense,	June
Wild indigo,	Baptisia tinctoria,	July
Rattlebox,	Crotalaria sagittalis,	June
Toadflax,	Linaria vulgaris,	September
Common St. Johnswort,	Hypericum perforatum,	July
Common mullein,	Verbascum thapsus,	July
Jewel weed,	Impatiens pallida,	August
Evening primrose,	Oenothera biennis,	July
Cone flower,	Rudbeckia hirta,	July
Golden-rod,	Solidago, six kinds,	August un- til frost
Silver-rod,	Solidago bicolor,	September
Wild sunflower,	Helianthus giganteus,	September
Bur marigold,	Bidens frondosa,	September
False foxglove,	Gerardia quercifolia,	September
Tansy,	Tanacetum vulgare,	September

PINK BLOOM

Indian hemp,	Apocynum cannabinum,	July
Dogbane,	Apocynum androsaemifolium,	June
Trailing arbutus,	Epigaea repens,	April
Twisted stalk,	Streptopus roseus,	May
Wild pink,	Silene Pennsylvanica,	May

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>Average Month of Bloom.</i>
Pink lady's slipper,	<i>Cypripedium acaule</i> ,	June
Common milkwort,	<i>Polygala sanguinea</i> ,	September
Bindweed,	<i>Convolvulus Americanus</i> ,	July
Milkweed,	<i>Asclepias cornuti</i> ,	July
Four-leaved milkweed,	<i>Asclepias quadrifolia</i> ,	June
Swamp milkweed,	<i>Asclepias incarnata</i> ,	August
Purple milkweed,	<i>Asclepias purpurascens</i> ,	August
Herb Robert,	<i>Geranium Robertianum</i> ,	July
Tick trefoil,	<i>Desmodium Canadense</i> ,	August
Bouncing Bet,	<i>Saponaria officinalis</i> ,	July
Hardhack,	<i>Spiraea tomentosa</i> ,	August
Deptford pink,	<i>Dianthus armeria</i> ,	July
Purple loosestrife,	<i>Lythrum salicaria</i> ,	August
Meadow beauty,	<i>Rhex Virginica</i> ,	July
Waxweed,	<i>Cuphea viscosissima</i> ,	September
Burdock,	<i>Artium lappa</i> ,	August
Common thistle,	<i>Cnicus lanceolatus</i> ,	July
Canada thistle,	<i>Cnicus arvensis</i> ,	August
Joe-Pye weed,	<i>Eupatorium purpureum</i> ,	September
Pink knotweed,	<i>Polygonum Pennsylvanicum</i> ,	September

ORANGE AND RED BLOOM

Wild columbine,	<i>Aquilegia Canadensis</i> ,	June
Wood lily,	<i>Lilium Philadelphicum</i> ,	June
Lousewort,	<i>Pedicularis Canadensis</i> ,	May
Hound's tongue,	<i>Cynoglossum officinale</i> ,	July
Butterfly weed,	<i>Asclepias tuberosa</i> ,	July
Cardinal flower,	<i>Lobelia cardinalis</i> ,	August

BLUE AND PURPLE BLOOM

Liver leaf,	<i>Hepatica triloba</i> ,	April
Blue violet,	<i>Viola palmata</i> var. <i>cucullata</i> ,	May
Dog violet,	<i>Viola canina</i> ,	April
Bluets,	<i>Houstonia cerulea</i> ,	April
Forget-me-not,	<i>Myosotis laxa</i> ,	May
Wild phlox,	<i>Phlox divaricata</i> ,	April
Robin's plantain,	<i>Erigeron bellidifolius</i> ,	April
Wild cranesbill,	<i>Geranium maculatum</i> ,	May
Ground ivy,	<i>Nepeta glechoma</i> ,	May
Wild lupine,	<i>Lupinus perennis</i> ,	June
Blue-eyed grass,	<i>Sisyrinchium angustifolium</i> ,	July

<i>Common Names.</i>	<i>Botanical Names.</i>	<i>Average Month of Bloom.</i>
Skullcap,	Scutellaria lateriflora,	July
Fleur-de-lis,	Iris versicolor,	June
Brooklime,	Veronica Americana,	July
Pennyroyal,	Hedeoma pulegioides,	July
